

Financial Assistance for Concordia Theological Seminary, Fort Wayne, Indiana Food and Clothing Co-Op to Purchase Food, \$5000

Students at the seminary are just that – students. They left their job and no longer have the financial flow of funds even though they have the same financial needs. Spouses find it difficult to find employment because employers know these people will only be available a short time. The Concordia Theological Seminary is instrumental in attempting to lessen the stress of financial burden for the students. The Food and Clothing Co-Op supplies between 80% - 85% of the student's/family's monthly food and household needs. This grant will assist in keeping the food shelves filled with perishable food items such as eggs, cheese, milk, fruit juice, ground beef, fresh fruits and vegetables.
