

## LWML 2024-2026 Proposed Mission for Convention Offerings

### **1. Girls Dorm: Compassionate Social Care Ministries, AKA 4Kenyas Kids**

Under the direction of Pastor Dennis and Deaconess Lorna Meeker, along with the staff at Point of Grace Academy, Ogal Beach, Kisumu, Kenya, this ministry is being carried out for all the needy and destitute children in the area and surrounding tribes in the rural areas of Kenya. Proper housing ensures safe and comfortable housing for residence girls.

### **2. Trinity Lutheran School, Portland, Oregon**

Trinity Lutheran School has provided quality Christian education for 133 years. In recent years, the student body has consisted mainly of non-Lutheran minority children. Traditionally, immigrant and minority families lack the financial resources to pay tuition. Funds are needed to support these children in obtaining a quality education.
